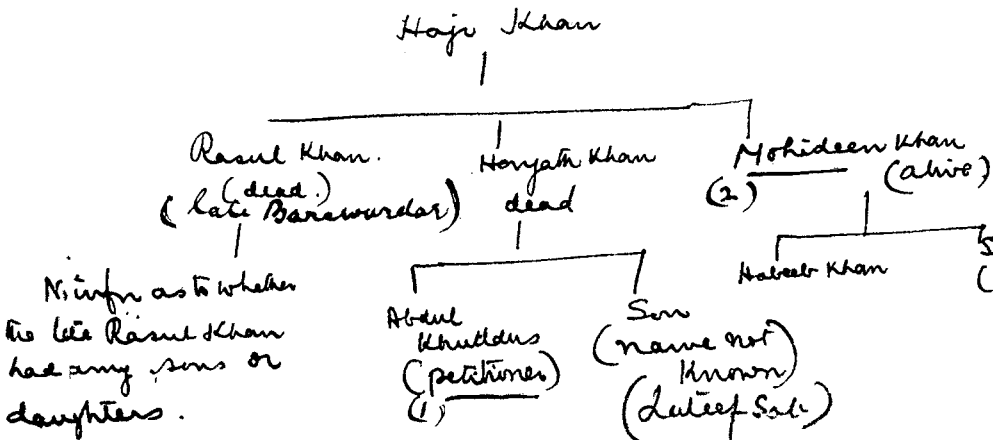
Letter No. C3-349/34-35 dated the 26th Dec. 1935 from the D.C. Bangalore. forwarding the death certificate of the late Rasool Khan.

From the records forwarded by the D.C. Bangalore, together with his report on the petition of Abdul Khuddus (an in-patient in the Leper Asylum, Bangalore), it is seen that the vacant pension of 10 as., 4 pies claimed by the petitioner is that of his uncle Rasul Khan. From the geneological tree furnished by one Mahomad Ghouse Khan (who is said to have known the family) which is also agreed to by the petitioner and by Mohideen Khan, the eldest surviving member of the family, and from the the D.C.'s report, it is seen that there is no information as to whether the deceased pensioner had any sons or daughters. Mohadin Khan (the petitioner's uncle) however gives the names of 3 sons of Rasul Khan and adds that their whereabouts are not known.

In the circumstances, the claimants to the vacant pension are Abdul Khuddus, son of Rasul Khan's brother (Hayath Khan), and Mohadin Khan, the deceased pensioner's brother.



1 & 2 are the claimants to the vacant pension of Rs. 0-10-4.

The pension is said to be a hereditary allowance the disposal of which is governed by Mahomadan Law. The claimants are the 3rd brother and the son of the 2nd brother. According to Sunni Law of inheritance, 'full brother' is a residuary and a nearer heir than a 'full brother's Son'. Respectively Mohadeenkhan the surviving brother of the deceased seems to be the proper heir

has a brother surviving and that brother confirms the petitioner to be Rasulkhan's nephew. He of course speaks of 3 sons of Rasulkhan ~~as~~ but since nothing has been heard about them these 10 or 12 years, if at all they existed, they must for the present purpose be presumed to be dead.

28) As between the brother Mohadin Khan and the nephew Abdul Khudoos, the brother is certainly a nearer heir under the Mahomedan law and therefore if the claim to this pension of Rs 0-10-4 is to be recognised now after 10 or 12 years after the death of the last holder, it has to be registered in the name of Mohadin Khan and not in the name of the petitioner Abdul Khuddus.

Most Respected Sir,

I, the undersigned humble servant of your most esteemed honour venture to bring a few forming lines to your gracious consideration.

Sir My uncle Rasool Khan was Sherjapur Jahgirdar in the Anekal Taluk. He was in receipt of Rs 10 and pies 4 each month as his Jahgir pension and the last payment he got was on 24.11.1927. Thereafter as nobody applied for the pension amount as his claimant, the pension amount lapsed. Now, Sir, I am a weak and a sick man and consequently I am not at all able to earn my own living and besides I have no guardian to look after me Sir I have herewith sent the Copy of the Doctor's certificate to show my ill-health. I crave your most esteemed honour to be gracious enough to get me the amount that has accumulated from 24.11.1927 and to sanction the pension in my name as I am the only disabled and guardianless heir of my uncle. For which act of kindness I will ever pray for your very long life, continued happiness and prosperity.

I beg to remain, Most Respected Sir

He has reported now that he has addressed the Superintendent, Leper Asylum to obtain certain additional particulars about the ancestry of the petitioner from him and to forward the same to him(the Amildar) to settle the claim and that he is awaiting the reply of that officer. It is also reported that the Amildar has addressed the Collector, Civil and Military Station, Bangalore to obtain a geneological tree of the petitioner from certain relatives of the petitioner, who are residing in the Civil and Military Station with a view to trace out the relationship ~~ex~~ of the petitioner to Rasoolkhan and reply from the Collector also, is reported not to have been received as yet. SIR,

Subject:— Transfer of Sarjapur Jahagir Pension to the name of Abdul Khudus, inpatient, Lepper Asylum, Bangalore.

With reference to your official memorandum No.Fi.153 (2) dated 8th July 1932 forwarding for report a petition received from Abdul Khudus referred to above, requesting the payment to him of the Sarjapur Jahagir pension of annas 10 and pies 4 only that was being paid to his uncle Rasoolkhan, I have the honour to state that it is seen from the records of enquiry submitted by the Amildar, that the villagers have executed a mahazar to the effect that the petitioner Abdul Khudus is Rasoonkhan's son and that the pension may be transferred to the petitioner's name. One of the relations of the family Md.Ghousekhan, a resident of Bangalore who knew something of the family history has furnished a geneological tree asofar as he was aware. It isseen from it that he has no direct and immediate connection with the family, that he did not know whether the deceased Rasoolkhan has left any issues, male or female, that Rasoolkhan had two other brothers Hayathkhan and Mohadeenkhan, that Hayathkhan is dead and has two sons living, of whom the petitioner Abdul Khudus is the elder and that the other brother Mohadeenkhan is still living. The Amildar recommends that as Mohadeenkhan has not so far put forth his claim the pension in question may be transferred to the name of the present petitioner, who also belongs to an elder branch of the deceased's family, being the

the son of his first younger brother.

2 But in view of the difference between the versions of the mahazar and of Md.Ghousekhan and also of the incompleteness of information furnished by Md. Ghousekhan, I have returned the papers to the Amildar to record the statement of the surviving members of the family and complete the enquiry.

3 As regards the arrears of pension remaining undisbursed after Rasoolkhan's death, the petitioner has stated in his petition that the last payment was made on 24-11-27. The same petitioner has, in his statement dated 14-10-1932 to the Amildar, submitted through the Medical Officer, stated that payment has been stopped from February 1922. The Amildar reports that definite information is not available in his office as the Treasury half of the pension payment order has been sent to the Comptroller and the same could not be ascertained from the petitioner as he failed to produce the pensioner's half of the Pension Payment Order said to be with him. I have issued instructions to the Amildar to issue a notice to the petitioner apprising him that if he does not produce the pensioner's half and establish his claim by furnishing a correct and full genealogical tree and examination of~~xmix~~ witnesses and others, his petition would be rejected.

4 On receipt of complete information from the Amildar, the report called for will be submitted.

In continuation of this office letter No.C3-310/32-33 dated 27-1-34 re. the claims of Abdul Khuddus to Sarjapur Jahagir Pension held by the deceased Rasoolkhan, I have the honour to forward herewith the records relating to the enquiry received from the Amildar, Bangalore Taluk with his report No.H.C.273/33-34 dated 15-3-34 and to state that it is reported that the deceased pensioner Rasoolkhan has left behind him three sons whose whereabouts are not known. Abdul Khudus the petitioner is the son of Hayathkhan, brother of the deceased pensioner. The last pensioner has left Mohadeen Khan another brother who has stated that the pension was being distributed among the three brothers when Rasoolkhan was drawing the pension and that the same arrangement may be continued even now. He has added that Abdul Khuddus has two brothers, but they have not come forward and claimed the pension and that 1/3 of the pension may be paid to him. Abdu Khuddus also admits that he is entitled to 1/3 of the pension.

In these circumstances, the pension may be ordered to be paid to Abdul Khuddus and Mohadeen Khan in equal shares as no other claimants have come forward though the pensioner died 12 years ago.
